

The Legacy of Courage Lives on

(NAME),

Thank you for your donation towards the Carl Brashear Foundation.

This letter is to inform you of the purpose and goals of the Carl Brashear Foundation. I want to use any funds created for the foundation to fund student scholarships, programs for disabled people, and other non for profit causes in my father's name. The Carl Brashear Foundation is an official non-profit organization (501 c 3) and registered with the Internal Revenue Service.

As a token of thanks, I would also like to give you a commemorative Carl Brashear coin, (Number XXX). I hope you will treasure it as reminder of my father's tremendous legacy.

Please continue to support us in this endeavor as we move towards the future.
